

Dear Parents,

Monday and Tuesday we will be having a Thanksgiving feast with our four-year-old friends. Your child will make either a Pilgrim hat, bonnet or a Native American headdress to wear to our feast. Each class will prepare a portion of the meal and share it with all the other children. Our class will be baking corn muffins and making our own butter. We will all gather together in the gym. We have done this in the past and it is always fun. The children really have a good time.

I would like to thank all the parents and grandparents that plan to help out on this special day. It is very much appreciated.

Wednesday and Thursday we will have a tee-pee in the classroom for the children to play in. We will also have gym and library. The project for the day will be a turkey made with your child's handprint. It is a cute project that I am sure you will love.

Friday's PM class will have a choice to make a pilgrim or a Native American for their project. The children are all getting very good at drawing faces for their projects. The children are all working hard at holding their pencil correctly and tracing their names. We have a few children already writing their names.

I would like to thank all of you for sharing your wonderful children with us. Mrs. Mix, Mrs. Stevens, Mrs. Doherty and Mrs. Smith and I enjoy each and every one of them. They are all so special and make us smile everyday.

We wish you all a very happy Thanksgiving!
