

Happy Sunday!

This is our last full week of school. We know it will be filled with lots of smiles, laughter, and unconditional love. The children seem very excited to sing our songs for you at Graduation, along with dancing:)

This week we will be meeting our last Alphabuddies. On Monday we will meet Yodler Y and on Wednesday, we will meet Zelda Z. The children will make Egg Yokes with bacon and a Zany Picture. Many of the other projects the students complete this week will be for their End of Year Briefcase that they will receive at Graduation:)

We will also be learning how to form the numbers 1-9 using Foundations lines. I will be sending you home the saying that goes along with each number. The children will use this when they enter Kindergarten. You can also ask them how to count to 10 using their fingers and what the Say Ten Way for counting is. Each of these will be described in the packet of numbers that will come home:)

PLEASE read the Graduation Information attached to this email. If you have not typed in how many will be attending, PLEASE DO. Thank you in advance:)

I hope all of you have a wonderful rest of your Sunday. Please contact me if you have any questions, comments, or concerns. It is truly hard to believe this is our last full week.

Take care,

Kirstin
