

Hello families,

Just a couple of quick reminders to get you thinking about next week. We will have a one-hour session on Monday, September 9th, the first day of class. It will be from 12:30pm - 1:30pm. **We ask that an adult comes to class with your child in order to help him/her get acclimated with the room and the other students.** On that day we will do a short version of our day beginning with our meeting, then a quick craft and then it will be time to clean up and say goodbye. This is a great way to get your child excited about school. Please encourage your child to explore the room, meet the teachers and to make new friends. I am very excited to see all of your children.

Things to bring to school that day (if you have not already turned them in):

1. Personal Information Form
2. Pick up Permission Form
3. Confidentiality Agreement
4. Parent Handbook Acceptance Agreement
5. Health/Immunization Forms

On the next page is a summary of our daily schedule. We never run exactly to this but it will give you a general synopsis of their day. We are busy, and we play hard.

RNS will provide snack this week beginning on Tuesday.

PLEASE, make sure your child's bag/backpack is clearly labeled with your child's name. Also, please remember to **keep a change of clothes including socks inside the bag.** Thanks! Don't forget that you cannot iron the bag or it will melt.

I am looking forward to seeing all of our friends!

Enjoy the weekend,

Karen Hart
