

Hello parents,

Your children had fun making their turkey puppets yesterday. We also had fun playing a color game with turkey feathers.

This week our birthday helper will be Brielle, Happy Birthday Brielle, and we will be having pajama day to celebrate our successful RNS Stroll! We will continue to talk about turkeys and Thanksgiving. For our project we will be painting, we will sing our Thanksgiving songs and do the Thanksgiving Freeze Dance. We will also “feed a turkey” by using tongs to place pom poms in a turkey made from a decorated plastic container. Using tongs to pick up objects, ripping paper and even coloring are great ways to improve hand strength to prepare for writing.

We also continue to collect donations for RHAFT. There will be a basket outside during drop off and pick times. Please consider donating non-perishable items to help our community.

Thank you so much for sharing your little ones with us! Cannot wait to see you all on Friday!

Joan
727-4488

Important dates:
