

Hello everyone,

On Friday, your children put their finishing touches on a gift for you and they brought it home. We hope you enjoy them as much as they enjoyed making them!

This week our helper will be Harrison. We will make a reindeer for our project and have some fun Christmas activities. We also will bring bells into our classroom and sing Jingle Bells. The kids always enjoy using instruments in the classroom.

It is hard to believe but this Friday will be our last class for 2024! School will reopen after break on January 6th and our next class day will be Friday, January 10th.

Mrs. Villone and I wish you all a memorable holiday full of joy and laughter. Thank you so much for sharing your precious children with us, they make us smile every class and have found a special place in our hearts.

Joan,
727-4488
