

Hello everyone,

It's so hard to believe this is our last week of school in 2024. It's been great watching the children's excitement during this time of year.

This week they will be learning and talking about the letters **Qq** and **Gg**. They will complete projects with a **Q**uiet (Santa), a **Q**uilt, make the **G**rinch, play a **g**ame and make a **G**ingerbread man. On Friday, the children will be making a Countdown Bell like the one we use in class each day. The children will really enjoy being able to tear off their own links at home.

Our next field trip will be on January 15th at Bounce Hopper. It will be from 10:00am - 12:00pm. Parents/Caregivers will need to transport. More info will be coming.

Your children are such precious gifts. Enjoy this time when they are young, it goes so fast. I love looking at the holiday decorations my children made when they were little. It makes me wish they were young and innocent again 😊

Mrs. Dunton, Ms. Stevens and myself hope you have a beautiful, memorable holiday season with your families. Enjoy every moment. We look forward to hearing all about them on January 6th.

Take care,

Kirstin
