

Hello!

I hope everyone had a wonderful holiday season! We hope that 2025 is a happy and healthy year for all! We are looking forward to seeing everyone this week and hearing about everyone's time off. Mrs. Favro, Ms. Meara and I hope you made some great new memories with your families.

The January helper lists and January newsletter went out in a separate email. It will also be posted on my classroom page for you to refer back to throughout the month. This can be found at www.rushnurseryschool.org.

Here is what we will be discussing this week:

Letter of the week - Yy

Number of the Week - 1 (yes, we are starting again)

Our helpers will be

Monday – McKenna

Wednesday – Aisling

Friday - Jedidiah

Now that we have finished reviewing all the colors and shapes, we will no longer be focusing on one each week. Most of your children are all very confident in their knowledge of these. We will continue to review them throughout our discussions of projects, etc. For our number of the week, we will begin counting at one again this week and we will be adding a page to a number book each week for the next 20 weeks. Similar to the box of crayons we will complete this project slowly each week and then bring it home once we have counted to twenty.

Gym and Library will be on Wednesday. The children will get to select new library books and activity kits in class. Please send back anything that was signed out previously. The new kits will all reflect the season change to winter.

January

1-3-Monday –New Year's Day (school closed)
