

Happy Sunday!

I hope this email finds all of you enjoying your weekend! I know that for me, after the holidays can be sad. However, I forget how nice it can be to not be so busy. Hopefully all of you are enjoying life being a little calmer:) It was wonderful listening to the children last week and how excited they were about their Christmas presents:)

Tomorrow the children will make their Snowman for our class bulletin board. They will be asked certain questions about themselves so each Snowman is unique to them:) They will also be making a snowman that has their last name as a Scarf. On Friday they put their last name on their cubbies and beginning on Tuesday they will be finding their last names when they see what group they are in.

The rest of the week they will be discussing three letters. The letters we will be discussing are B, D, and N. In class; the students will be making D Donut. B Bowling Pin and Ball, and N Newspaper. They will play Numbers Bingo and other fun

activities with those letters!

Something new that children will be doing is “Signing in” when they enter class. This is something our Language Arts Program is asking us to do. The sheets the children will sign in on will show them how to make the letters correctly. I will be sending home 2 of the same sheets for you to have at home. You can make copies for the children to practice at home. It is important that the children know how to make the letters correctly along with knowing the letters in their first name. Please let me know if you have any questions or concerns.

Please remember our field trip will be this Wednesday, January 15th at Bounce Hopper. It will be from 10:00am - 12:00pm. Parents/Caregivers will need to transport. Please send in the Permission slip, if you have not done so already.

On January 24th, the Rush-Henrietta Schools will be off for Grading Day and then on January 29 they will be closed for Lunar New Year. **At Rush Nursery School, our UPK classes will be in session on both days.**

On February 8, we are having a class event called Someone Special Saturday. This is a time for a parent/guardian or other special adult to spend part of Saturday morning with their child at school. During this hour, the children will be able to show you what happens in our regular class time, complete a project and just play. It is a very special time for all that many of our young friends remember forever. Please only

have one parent attend each session.. **Our class time will be from 10:00am-11:00am.**

Have a terrific rest of your Sunday!! Thank you for sharing your beautiful children, Mrs. Pryslak, Mrs. O and myself love unconditional love and smiles each day:)

Take care,

Kirstin
