

Hello families,

We all had a fantastic time on Friday with our pajama day. The children really liked making their teddy bear puppet.

It's picture time!! Friday our photographer will visit our school. Our photographer will set up down the hall. I will take your children down a few at a time to have their picture taken. Our class picture will not be a group picture, but a composite picture where each child's individual picture is printed on one page together with their teachers. We will not have paint, playdough, markers, glue etc. in the classroom so feel free to have your child dress up.

The helper on Friday will be Harrison and we will have a sticker project. We will also be using stickers to decorate bags for our Valentine's Day celebration on February 14th. The children may bring in valentines to share with their friends and teachers. Each child will get a chance to make their special deliveries. If you would like your child to bring valentines to school, please only write your child's name in the "From" spot and leave the "To" spot blank. This will make it easier for them to deliver them to their friends. We have 7 children in the class and 2 teachers.

Please don't hesitate to contact me if you have any questions. Looking forward to another fun Friday!

Joan
