

Hello,

Our Valentine's Day celebration is Wednesday, February 12th. If you choose to participate, we will be delivering Valentine's to each other during our celebration. Sending in Valentine's for the class is optional. PLEASE do not fill in the "To:" spot. Just have the children sign the "From:" spot. They could write "To my friend" if you want to challenge them. This is GREAT practice for writing their name. **There are 12 students in this class (including your child) and 3 teachers.**

This week we will look at:

Letter: Pp (panda, polar bear and pig)

Number: 5 (5 toes)

Our helpers this week will be:

Monday – Grayson

Wednesday - Kaia

Friday – Quinton

This is one of my favorite weeks at school. On Monday we will make a panda out of hearts. Also, we will be making a painted footprint of your child for our number book. Please do not send your daughter in tights on Monday. Thank you for your support! On Wednesday we will make a pig. It is one of my favorite projects. On Friday we will make a polar bear.

Wednesday library and gym.

We were pleasantly surprised by the number of students that knew their last name. We have begun to glue them onto some of our projects and we practice identifying the letters found in our name. Many of our friends will know at least a third of the alphabet by learning the letters in their first and last name. Then if you add parent's names and/or siblings the alphabet is almost mastered. Making it relevant by learning family member names often causes interest. Maybe it can work for your child.

February

2-Ground Hog's Day- Please let your child know if the groundhog saw his shadow

7- Picture Day for Friday 2's and make-up pictures (let me know if you are interested in make-up pictures)

8-Someone Special Saturday 9AM

12-Valentine's Celebration

14-More Valentine's fun

17-21-Winter Recess (school closed)

Mrs. Favro, Ms. Meara and I thank you for sharing your children with us. They bring a smile to our face each day!

Karen Hart
