

Hello everyone!!

At this point, we have completed going through the alphabet week by week. I have given a lot of thought as to what direction to go next. I have decided to go through the alphabet again but faster. Last time our biggest focus was mastering letter identification. This is no longer our biggest concern. YAY!! This time through our activities, we will focus on finding the letter sound at the beginning and ending of words. Also, we will focus more on the lower case than the uppercase.

Also, we will continue to work on some sight words. We have been working on color sight words. We have gotten much stronger on this.

Letters of the week – Aa, Bb, Cc, Dd and Ee (one a day, in order)
Number of the Week –15

Groundhog's day was a big topic of conversation last week.
Please share with your child if the groundhog sees its shadow on Sunday.

We will have Gym and Library on Wednesday.

Valentine's Day is quickly coming. If you choose to send in Valentines, please feel free to send them in at any time. We can hold on to them until Valentine's Day.

Saturday, February 8th is Someone Special Saturday. We will meet from 10:00AM to 11:00AM. We will complete a craft, play and the students have 3 songs to perform for you. Hope to see everyone there.
