March Newsletter 2025

Dear Parents,

It is truly hard to believe that Spring is almost here. We love the snow, but also love the spring. Throughout the month we will be watching for the signs of spring's arrival. March winds, changeable weather, and signs of growth will be observed and discussed. The children will discuss the changing weather each day during their morning/afternoon meeting. We will chart the weather and create a bulletin board to monitor it each day.

March is a long month, but there are a lot of fun events to look forward to along the way. Our Open House and Art Show is March 4th. Please bring your family so your child can show you around their school and point out their Art Project chosen for our Art Show. The time is below:) Please have your child wear something green for our St. Patrick's Day celebration.

The children still love to go outside, even if it is just for a short time. Please continue to send in warm clothes each day that the temperature is expected to get above 30 degrees. We realize that this opportunity has not been given to the children in a while but we are

hoping that the weather will warm up a little this month so that the children can enjoy this playtime with their friends.

As always, if you have any questions or concerns regarding your child or school, please feel free to contact us.

Thank you.

SONGS/FINGERPLAYS

Five Little Leprechauns

Five little leprechauns, playing in the sun.
The first one said, "Oh, my! We're having fun!"
The second one said, "We need to spread some joy!"
The third one said, "Let's find some girls and boys."
The fourth one said, "There's gold to be found!"
The fifth one said, "Let's all look around!"
Then out came a rainbow, shining bright and bold.
So five little leprechauns ran to find some gold!

Five Teddy Bears

One little teddy bear, finding things to do.
Along came another, then there were two.
Two busy teddy bears climbing up to see.
Along came another, then there were three.
Three lively teddy bears liked to explore.
Along came another, then there were four.
Four hungry teddy bears, eating honey from a hive.
Along came another, then there were five.
Five tired teddy bears had fun today.
They'll be back tomorrow, and you can see them play.
