

Happy Sunday!

I hope all of you are enjoying your weekend. I actually had a quick trip to Washington DC to see my son. Even though it was brief, it was wonderful to spend time with him.

We have a fun week ahead at school. Tomorrow, I will be taking the children in small groups to the Book Fair for them to find items they are interested in. Their list will come home with them tomorrow. You can use it if you visit our Book Fair going on this week.

March 2nd is Dr. Seuss's Birthday. To help celebrate it, we will be making a Paper plate Dr. Seuss tomorrow. I will be sending home a Google slide to go along with Dr. Seuss.

For the rest of the week, we will be meeting our next two Alphabuddies, Cathy C and Doggy D. We will be making Cookies in a Cookie jar, a Dog Puppet, a Drowsy Dragon and Cute Rhyming Dust Bunnies.

Tuesday evening, March 4th, is Open House at RNS.

It's an opportunity for students to come to school with their families. Every child will have a project in our art show, for our class you can look for the mint green name label.

The classrooms will be open and they can visit with their teachers. There will also be a Scholastic Book Fair. It is sure to be a fun night! Please come and visit us anytime between 6:00 and 7:15pm.

I also ask that your children be accompanied by an adult at all times during this event. Thank you in advance for this.

The time is 6:00pm-7:15p

Beginning tomorrow, when the children enter the class, they will need to find their addresses. Please use their Address Box(mailbox project on Friday) to help reinforce it. Thank you for your support:)

Our next field trip will be on Wednesday, April 2nd to the Inquiry Room at the RMSC. The permission slip will be sent home soon. We will spend one hour in an Inquiry room and one hour exploring the museum. If you want you are welcome to stay after our field trip to have more fun.

That is all from me. Please make sure to contact me about anything. Communication is the key:) Your children are beautiful inside and out!

Take care,

Kirstin
