

Hello families,

Thank you to everyone who joined us for Open House, and thank you to all who attended and purchased books from our book fair!

We had another great week in our classroom! The children really enjoyed all the color activities and experiments we had. This week we will start St. Patrick's themed projects. On Monday and Tuesday, our project will be a shamrock man and they will flip and fold paper to make bouncy legs for him. We will also make a shamrock puppet and we have been learning the song "5 Little Shamrocks".

Our Wednesday classes will be working on name recognition. The children will have to put all the letters of their name in order to make a rainbow name banner. Some of the children already know all the letters in their name while others are practicing very hard. Please display this banner at home in a place where you can practice frequently with your child. Our Tuesday/Thursday classes will make this project next Tuesday.

Thursday this week we will have our St. Patrick's Day celebration. Everyone will make a leprechaun hat to wear and we will see if Lucky the Leprechaun will visit our school! He has been known to leave a note and send the children searching for a pot of gold. We will also do the St. Patrick's Day Pokey. It is sure to be a fun day! Our Monday/Wednesday and Monday/Wednesday/Friday classes will celebrate on St. Patrick's Day.

The 5-day class will do some fun shamrock painting and our Friday class will be making a pot of gold with a rainbow. It will be another opportunity to practice drawing lines as well as our colors.

Enjoy the rest of your weekend!

Joan
