April 2025

Dear Parents,

We cannot believe it is already April. The month of March went by so fast. In this month, we will be talking about Spring. Hopefully the weather will cooperate with some warm, sunny days. We hope to be able to take the children out to the playground often. They all love to play outside!

Spring brings many changes to the weather and becomes a bundle of activity outside after our long winter months. We will take time not only to discuss the changes in the weather, but to also watch for other signs of our new season such as flowers blooming, birds chirping, budding trees and greener grass.

We will have two theme weeks this month. We will start back after break with teddy bear week. We will have pajama day and read a book about a bear named Corduroy. We will finish our month with the start of number week when we will count gumballs and make a number kite.

I will be finishing our evaluations this month as well. After evals have been completed, I will send a link for sign-up genius for conference times. You may sign up for a time slot if you wish to have a conference regarding your child's progress.

Mrs. Villone, Ms. Lena, and I hope you all have a wonderful Spring recess with your families. Please feel free to contact me with any questions or concerns.

Springtime! (Sung to the tune of “Do your Ears Hang Low?”)

Oh, you know it's Spring
When the robins start to sing.
Then the flowers grow,
And you see the melting snow.
Know what else I've seen?
Everything is turning green!
Yes, we know it's Spring!

Where it was nice and cool
Now there are four speckled frogs
Glub, glub!

Baby Bumble Bee

I'm bringing home a baby bumble bee
Won't my mommy be so proud of me
I'm bringing home a baby bumble bee
Ouch! He stung me!

I'm squashing up by baby bumble bee
Won't my mommy be so proud of me
I'm squashing up my baby bumble bee
Uh oh. He's all over me!

I'm wiping off my baby bumble bee
Won't my mommy be so proud of me
I'm wiping off my baby bumble bee
Now my mommy will be proud of me!
