March 2025

Dear Parents,

In the month of March, we will be talking about rainbows, shamrocks, St. Patrick's Day, and Spring. We may even have a visit from Lucky the Leprechaun. We will have color week and shape week this month. For color week, we will learn about rainbows and mixing colors to make other colors. During shape week we will review our shapes but also have some more practice using scissors. Hopefully the weather will still cooperate to go outside to play on our playground. Please remember to send in outdoor clothing in a separate bag labeled with their name.

This month I will also begin working individually with each child doing a basic skill assessment. I plan to send home assessments when they are all complete. After evals are sent home, you will have the opportunity to sign up for a conference time to discuss their results if you choose to do so. I will keep you posted.

Tuesday evening, March 4th, is Open House at RNS. It is an opportunity for students to come to school with their families. Every child will have a project in our art show. The classrooms will be open and they can visit with their teachers. There will also be a Scholastic Book Fair. It is sure to be a fun night! Please visit us anytime between 6:00 and 7:15pm. **I also ask that your children be accompanied by an adult at all times during this event.** Thank you in advance for this.

Please feel free to reach out to me with any questions or concerns.

Thank you!

Joan Mix
727-4488

Finger Plays

Five Little Shamrocks

5 little shamrocks growing outdoors
Mommy picked one, and that left 4.

4 little shamrocks green as green could be
Daddy picked one, and that left 3.

3 little shamrocks growing by my shoe
Grandma picked one, and that left 2.

2 little shamrocks nodding in the sun
Grandpa picked one and that left 1.

1 little shamrock for St. Patrick's Day fun
I picked the shamrock, and that left none.

The Rainbow

One day the sun was shining bright.
But the clouds came along and it was dark as night.
The rain began to sprinkle down.
And soon it was raining all over the town.
But when the clouds had passed on by
A beautiful rainbow stretched across the sky!
